

SPEAK UP, SPEAK OUT, SPEAK EASY

Greetings Exhibitor,

Speak Up, Speak Out, Speak Easy! We hope that you will help us make the 35th annual Zonta Club of the Black Hills Expo a huge success. Your business will help advance the status of women through the area's largest trade showcase designed to support women's issues, locally and internationally. Zonta Club of the Black Hills is a non-profit C4 organization whose long-time success with the Expo ensures a great experience for your business.

This year's presentation is planned for Thursday, October 4, 2018 at the Rushmore Plaza Civic Center. We are in the process of redesigning the Expo so our booth vendors will be able to benefit from hearing our speaker, Kristen Hadeed. She has inspired audiences of all kinds, when she was a junior in college she started a cleaning business so she could buy an expensive pair of jeans. She made a commitment to hire individuals who are in high school and college, which came with its own challenges. Not only has she built a successful business, she has tackled the challenges of employing people who fall into the "millennials" category. Learn more by visiting her website: <http://studentmaid.com/about/our-story>. We are now accepting reservations through TNT Event Planning. September 30th is our booth deadline.
